

Kindergarten Re-Use Checklist

Calvert School's Re-Use courses allow families with multiple students to re-use textbooks from previous years, while receiving new Lesson Manuals, consumable materials, and academic support. Families can take advantage of this program by purchasing used textbooks from friends, the Textbook Exchange on the Calvert School Web site, or other sources.

Below is a checklist for the books **you must obtain** to complete a Re-Use course. Calvert School will not provide any of these items if you enroll in a Re-Use course. If you cannot obtain all these books, it would be better to enroll your child in a full course, not the Re-Use course.
